If you carry on a business and your annual turnover is less than **\$10 million**, you will be eligible to be treated as a SBE. The benefits of being a SBE taxpayer are, among other things:

- Either cash/accrual accounting method available
- simplified trading stock rules where businesses only need to conduct stocktakes and account for changes in the value of trading stock in limited circumstances, and
- simplified depreciation rules where most depreciating assets costing less than \$20,000 each are written off immediately. Most other depreciating assets are pooled and deducted at a rate of either 15% for the first year of acquisition or 30% for each year after the first year.
